Jubilee Year-Pilgrims of Hope

*O Pilgrims of new hope rejoice
For Christ has set us free
To praise our God and raise our voice
This year of the Jubilee*

In Luke 12:54-59, Jesus tells us to pay attention to the signs of the times in our lives and not just See them but also Choose and Act on them with the intent of leading a better life by following in his path. From our birth we are on a journey on our way to God to be judged. Signs such as those of despair, war, the sick & neglect for the poor and elderly can easily or conveniently be disregarded as it suits our busy lives. But we pray that this Jubilee year will open our hearts and minds and let the Holy Spirit continue to take control and guide us on that righteous path where we'll be rewarded on judgment day.

Reflection:

When we see signs of the times in our daily lives:

- How did we approach and act on them before today?
- How do we plan to approach and act on them now?
