## Jubilee Year-Pilgrims of Hope

*Memento Mori!*, Latin meaning Remember Death.

This traditional phrase in our Catholic communities seeks to remind us of the importance of each day and how we should live our earthly lives as God fearing pilgrims. And this Jubilee Year, one that occurs only every 25 years, is the perfect opportunity for us to embrace the theme and be hopeful and make the most of it now.

Let us continue to receive God's outpouring of his Grace.

Pray....Find some good videos to watch, or a nice devotional to read and reflect with.

Make... that pilgrimage to a holy site or shrine that you've talked about for a few years.

Take... this opportunity to clear away old debts that are laying heavy burdens on your shoulders.

Renew... that commitment to take up the yoke of Jesus!  
With refreshed zeal, pick up your cross and follow Him, who is the Way, the Truth, and the Life!

Reflection:

How are you embracing this Jubilee Year?
